

HRA Backstretch Foundation Safety Vest Initiative

Wearing a safety vest is a mandatory requirement for drivers and riders at Alberta racetracks. If a driver or rider has a fall on the track, we want you to be safe.

We know that safety vests can be expensive, so we want to help our members of the backstretch who need to purchase a vest!

The Backstretch Foundation is offering Drivers and Riders a rebate of 50% off the purchase price (up to a maximum of \$100) for new safety vests. The rebate applies to ASTM or other safety vests – you can order your brand, size or colour from on track tack shops, Greenhawk, other tack shops or even online.

Who needs a safety vest? *Every person mounted or driving a horse on the premises of an Alberta racetrack including Drivers, Harness Grooms that jog, Jockeys, Exercise Riders, Pony People and Outriders.*

What kind of vest do I need? *Choosing the right vest will depend on your safety requirements (you might want ASTM rated protection), comfort and price. Vests do not need to be ASTM rated to be eligible for the rebate!*

How much of a rebate can I apply for? *The Backstretch Foundation will provide 50% of your purchase price up to a **maximum** of \$100.00.*

Name of Applicant: _____
